Legal Counseling and Clearing Office for Foreign Nationals

For migrants living here and immigrants:

Do you have questions regarding

- your legal residence status,
- your asylum procedure,
- your work permit,
- possibilities to change your place of residence or
- any other matters concerning German residence law?

The Legal Counselling office supports you in all matters relating to German residence law, including legally permitted employment opportunities.

For employers:

Do you want to offer an internship, an apprenticeship or a job to a foreign national? Or do you already employ foreign nationals?

We provide comprehensive information about the legal employment opportunities and support you in applying for the necessary employment permits.
